# Reconsideration on substantive grounds of the previously ratified credentials of the Russian delegation

**Amendment[1] No. 9**

*In the draft resolution, replace paragraph 13 with the following paragraph:*

"The Assembly is deeply concerned by the continuous failure of the Russian Federation to comply with the Council of Europe's basic principles and statutory obligations. The Assembly deeply regrets that its resolved position in favour of political dialogue and efforts to persuade the Russian Federation to accede to these norms and standards has not rendered results or prevented Russia from repeating military aggression towards a neighbouring state."
