COUNCIL OF EUROPE
CONSEIL DE L'EUROPE

Doc. 691
05 July 1957

Financial, social and technological aspects of the European housing problem

Motion for a recommendation
tabled by Mr Pierre COURANT and other members of the Assembly

The Assembly,

Recalling its repeated requests that steps be taken to facilitate housing construction in the member countries;

Having regard to the need for better housing conditions in Europe;

Noting that financing is a crucial problem in housing matters;

Wishing to stress the importance of the social aspects of the housing problem;

Wishing, moreover, to focus attention on technical methods which might increase the speed and efficiency of the building industry and reduce building costs,

Recommends that the Committee of Ministers draw up a programme of co-operation among the Member States of the Council of Europe covering the financial, social and technical aspects of the housing problem.
