CONSEIL DE L'EUROPE

Doc. 752
26 October 1957

Ratification of the Convention on the law applicable to maintenance allowance for children

Motion for a recommendation
tabled by Mr Antonio AZARA and other members of the Assembly

The Assembly,

Whereas the Hague Conference on International Private Law, during its Eighth Session, drafted a Convention on the law applicable to maintenance allowances for children ;

Whereas the Convention has, since 24th October 1956, remained open to signature by the States represented at this Eighth Session, these including all Member States of the Council of Europe with the exception of Ireland and Iceland ;

Whereas the purpose of this Convention is to reduce as far as possible the cases where a dispute arises concerning maintenance allowances for children,

Recommends that the Committee of Ministers :

1. invite the Governments of Member States of the Council of Europe who were represented at the Eighth Session of the Hague Conference to sign and ratify at a very early date the Convention on the law applicable to maintenance allowances for children ;
2. inform the Assembly of the steps taken in this respect by Member Governments
