## **No. 050 - Radio programmes on the progress made by international organisations in the discussion of essential European problems**

**Written question No. 50 to the Committee of Ministers**

by Mr Frederik WILLEY, United Kingdom

M. WILLEY

to ask the Committee of Ministers

whether the Committee has taken any action towards the co-ordination of radio programmes intended for the information of the populations of member countries about the progress made in the discussion of essential problems by international organisations, particularly with regard to the European Economic Community and the Free Trade Area.
