Doc. 48
11 August 1950

Condemning the aggression committed by North Korea and supporting the action of the United Nations

Motion for a resolution
tabled by Mr Axel GJÖRES and other members of the Assembly

In response to the Committee of Ministers' request for the Assembly's views on the events in Korea the Assembly strongly condemns the unprovoked aggression committed by North Korea and fully supports the action of the United Nations in defending international law, in repelling armed attack and in restoring peace and security.
