COUNCIL OF EUROPE
CONSEIL DE L'EUROPE

Doc. 57
15 August 1950

General approval to the Schuman plan and instructing the Committee on Economic Questions to ptepare a scheme for co-ordination the activities of the Assembly and the European Organisation for the control of steel and coal

Motion for a resolution
tabled by Mr Antonio BOGGIANO PICO and other members of the Assembly

The Assembly,

Having noted the message from the Committee of Ministers inviting it to discuss the " Schuman Plan " and having heard the account that M. Schuman gave it of his proposals expresses its approval of the main lines of the Plan and instructs its Committee on Economic Questions to submit, during the present Session, definite Proposals for a system of collaboration to be instituted between this Assembly and the European coal and steel organisation.
