

**Doc. 946**

20 January 1959

## Organisation of agricultural markets

**Motion for an Order**

tabled by Mr Guido BASILE and other members of the Assembly

The Assembly,

Considering that it is necessary to examine every possibility of assisting agriculture,

Instructs the competent committees to prepare draft model regulations for the organisation of local markets, which would enable producers to send consignments of agricultural produce direct, with the guarantee of an officially appointed expert, for acceptance and sale.
