The situation of national minorities in Vojvodina and of the Romanian ethnic minority in Serbia

Reply to Recommendation[1]: Recommendation 1845 (2008)
Committee of Ministers

1. The Committee of Ministers has examined Recommendation 1845 (2008) on "The situation of national minorities in Vojvodina and of the Romanian ethnic minority in Serbia" and having done so, decided to delay issuing a reply until it had taken a position on the implementation by Serbia of the Framework Convention for the Protection of National Minorities, which is the legal framework in which the Committee pronounces on matters concerning national minorities. In April 2011, the Ministers' Deputies adopted Resolution CM/ResCMN(2011)7 on the implementation of the Framework Convention for the Protection of National Minorities by Serbia.

2. In response to the Parliamentary Assembly's invitation to the Committee of Ministers to take account of the recommendations set out in Resolution 1632 (2008), the Committee observes that it has made a specific mention of this text in Resolution CM/ResCMN(2011)7 referred to above and that furthermore the recommendations contained in that resolution essentially cover those contained in Resolution 1632 (2008).

1. adopted at the 1114th meeting of the Ministers' Deputies (25 May 2011)
