Doc. 999
24 April 1959

Possibility of having added to the Convention on Human Rights a protocol guaranteeing the rights and privileges of national minorities

Motion for an Order
tabled by Mr Karl CZERNETZ and other members of the Assembly

The Assembly,

Having in mind the information already available regarding the position of national minorities in member countries ;

Considering it necessary that maximum protection should be afforded to such minorities,

Instructs the Legal Committee to study the possibility of having added to the Convention on Human Rights a protocol guaranteeing the rights and privileges of such minorities.
