1. In reply to the Honourable Parliamentarian's question, the Committee of Ministers considers that the issues concerning the capacity and administration of the European School in Strasbourg do not fall within its competencies. Such dialogue should be taken up with the relevant authorities, and possibly co-ordinated within the Organisation through the creation of an informal ad hoc working group.

1. adopted at the 1121st meeting of the Ministers' Deputies (21 September 2011)
