

Order 90 (1956)¹

European organisation of atomic energy and creation of a general common market

Parliamentary Assembly

The Assembly :

Instructs the Committee on General Affairs to give further consideration to the implementation of points 1, 2, 3 and 4 in Chapter B of [Resolution 97](#), on a European Atomic Energy Organisation, as soon as the definitive proposals of the Intergovernmental Committee and of the Special Committee set up on 29th February, 1956 by the Council of O.E.E.G. are made public; and also

Instructs it to proceed with its study of the political aspects of the problem of the general common market;

Instructs the Committee on Economic Questions to proceed with its study of the economic aspects of that problem.

1. See also [Recommendation 93](#) and [Resolution 94](#).
