

Order 172 (1960)¹

Construction of a means of communication by a tunnel or a bridge between France and Great Britain

Parliamentary Assembly

The Assembly instructs the Working Party on relations with national Parliaments to invite its Members in the countries concerned to take action in their national Parliaments in support of [Recommendation 260](#) on the construction of as complete a means of communication as possible by a tunnel or by a bridge between France and Great Britain.

1. 19th Sitting
