

Order 174 (1960)¹

International campaign to save the monuments of Nubia

Parliamentary Assembly

The Assembly,

Having regard to its [Recommendation 263](#) concerning the international campaign to save the monuments of Nubia,

Instructs its Working Party on relations with national Parliaments to undertake, through its members in their respective Parliaments, whatever steps may reinforce governmental action in favour of the UNESCO campaign.

1. 19th Sitting
