COUNCIL OF EUROPE
CONSEIL DE L'EUROPE

Order 469 (1991)[1]

Renewable energy sources and solar hydrogen

Parliamentary Assembly

The Assembly, referring to its Resolution 974 (1991) on renewable energy sources and solar hydrogen, instructs its Committee on Science and Technology to consider energy policies and prospects in Europe and the world, to take account of the work of international organisations in the field of energy and to propose guidelines and measures for a comprehensive long-term energy policy.

1. See Doc. 6456, report of the Committee on Science and Technology, Rapporteur: Mr Scheer. Text adopted by the Standing Committee, acting on behalf of the Assembly, on 25 November 1991.
