

Recommendation 37 (1950)¹

European Cultural Centre at Geneva

Parliamentary Assembly

The Assembly,

Considering that the aims of the European Cultural Centre founded in Geneva, on the initiative, and under the auspices of the European Movement, answers the requirements of the Recommendation adopted by the Assembly at its First Session,

Requests the Bureau and the Standing Committee to invite the Committee of Ministers to grant the formal patronage of the Council of Europe to this institution. The Assembly expresses the wish that the activities of the European Cultural Centre and those of the College at Bruges should be co-ordinated.

It also wishes to present once more the Recommendation of 1949 according to the terms of which the Council of Europe should not only grant its patronage to a European Cultural centre but also take under its wing and assume the actual administration of such an institution.

1. Adopted 24th August 1950, at the conclusion of the Debate on the Report from the Committee on Cultural and Scientific Questions.
