

Recommendation 43 (1950)¹

Expenditure of a cultural nature

Parliamentary Assembly

The Assembly,

Considering that the study and application of the various measures deemed necessary to ensure cultural co-operation within the framework of the Council of Europe will entail additional work and new expenditure,

Desiring to bring to a more rapid conclusion the decisions which have been reached

Recommends to the Committee of Ministers and the Governments concerned that the financial and other necessary means be put at the disposal of administrations and qualified organisations in order to bring to a successful issue the new tasks which devolve upon them.

1. Adopted 24th August 1950, at the conclusion of the Debate on the Report from the Committee on Cultural and Scientific Questions.
