

Recommendation 45 (1950)¹

European Broadcasting Station

Parliamentary Assembly

The Assembly,

Recommends that the question of a European Broadcasting Station be included in the Agenda of the next Session.

This may be accomplished either by setting up a "Radio Europe" broadcasting station or by arrangements to be made between existing broadcasting stations.

1. Adopted 24th August 1950, at the conclusion of the Debate on the Report from the Committee on Cultural and Scientific Questions.
