

Recommendation 364 (1963)¹

Subsidies as a means of providing the necessary interim protection for Western Europe's domestic coal industry

Parliamentary Assembly

The Assembly,

Recalling its report on European Energy Problems ([Doc. 1463](#)) and the accompanying [Recommendation 339](#) to which the report of the Economic Committee ([Doc. 1572](#)) in effect constitutes an Addendum,

Recommends to the Committee of Ministers :

- a. that they should forward the report contained in [Doc. 1572](#) to the Organisation for Economic Co-operation and Development with a request that that body should take it into account in their consideration of Document 1463 and [Recommendation 339](#) ; and
- b. that they should transmit the report contained in [Doc. 1572](#) with a similar request to member Governments of the Council of Europe.

1. Assembly debate on 10th May 1963 (8th Sitting) (see [Doc. 1572](#), report of the Economic Committee). Text adopted by the Assembly on 10th May 1963 (8th Sitting).
