

Resolution 304 (1965)¹

Shortage of female and male nurses

Parliamentary Assembly

The Assembly,

1. Considering that the shortage of nurses raises problems that need to be examined in a European context ;
2. Believing that professional nursing bodies ought to be associated with any proposals for improving the situation ;
3. Considering that local authorities can give valuable help in putting into force practical measures aimed at improving the organisation of the hospital services they administer ;
4. Decides to transmit the Assembly report on the shortage of nurses in Europe :

to the following international non-governmental organisations :

International Federation of Christian Trade Unions

International Confederation of Free Trade Unions

International Union of Local Authorities

International Council of Women (European Centre)

World Union of Catholic Women's Organisations

International Association for Vocational Guidance

International Union of Family Associations

Catholic International Union for Social Service

European Union of Women

European League for Mental Hygiene

International Social Service

International Conference of Social Work

Information and Liaison Centre for Professional Teachers' Organisations

Catholic International Education Office

International Association of Medical Laboratory Technologists

International Council of Nurses

International Committee of Catholic Nurses

League of the Red Cross Societies ;

to the European Conference of Local Authorities.

1. Assembly Debate on 1st October 1965 (16th Sitting) (see [Doc. 1949](#), report of the Social Committee). Text adopted by the Assembly on 1st October 1965 (16th Sitting).
