

Doc. 12894
26 April 2012

Promoting an appropriate policy on tax havens

Amendment¹ No. 18

Mr Fernand BODEN, Luxembourg, Group of the European People's Party

In the draft resolution, delete paragraph 11.6.

Explanatory note

A report by the European Policy Forum on the application of the European Savings Tax Directive noted that in the field of taxation, a withholding tax system may be more effective than one based on the automatic exchange of information, which can entail serious problems regarding personal data protection and privacy rights (the Bialiatki case).
