Austerity measures – a danger for democracy and social rights

Amendment¹ No. 3

Ms Pelin Gündeş BAKIR, Turkey, European Democrat Group

In the draft resolution, after paragraph 10.2, insert the following paragraph:

"sign and ratify the revised European Social Charter and the revised European Convention on Social Security, if this has not yet been done, and consider supporting an update of the latter in accordance with the needs of today's work situations and life styles, so as to improve the rights of member States' citizens to a level at least equal or above the rights guaranteed by bilateral agreements;"
