Georgia and Russia: the humanitarian situation in the conflict- and war-affected areas

Amendment¹ No. 7

In the draft resolution, paragraph 5, delete the second and the third sentence.

Explanatory note

The European Parliament, NATO Parliamentary Assembly, OSCE Parliamentary Assembly, Euronest and other international bodies and national parliaments have increasingly criticized the Russian occupation of Georgian territories. Quoting the positions of the side without taking note of the dynamic trend could be misleading and generate ambiguity as to the position of the Assembly.
