

Doc. 13092
13 March 2013

Gender equality in the countries of the former Yugoslavia

Amendment¹ No. 5

In the draft resolution, paragraph 5, replace the first sentence with the following sentence:

"The Assembly is aware that traditional stereotypes regarding male and female roles remain present in all societies."

Explanatory note

It can be agreed that stereotypes regarding male and female roles exist. However, they are not unique to the countries referred to in the draft resolution but rather are a general characteristic of all countries. It cannot be accepted that the school curriculum is responsible for conveying these stereotypes.
