

Doc. 13092
13 March 2013

Gender equality in the countries of the former Yugoslavia

Amendment¹ No. 9

In the draft resolution, paragraph 9, in the first sentence, after the words "The countries in the region", insert the following words:

"that have not yet done so".

Explanatory note

Slovenia should be excluded from this recommendation as it introduced a quota system into electoral law(s) on all levels of decision-making and the salary gap in Slovenia is the lowest of all European Union member States.
