Post-monitoring dialogue with Turkey

Amendment¹ No. 23

In the draft resolution, replace paragraph 4 with the following paragraph:

"The Assembly notes that Turkey has been a candidate for accession to the European Union since 1999. It welcomes the redynamisation of the discussions and believes that the opening of the chapters 23 and 24 concerning human rights and justice as a first step would help consolidate the reform process and underpin the action of the Council of Europe."
