

Doc. 13156
23 April 2013

Young people's access to fundamental rights

Amendment¹ No. 10

In the draft recommendation, paragraph 4.4, replace the words "youth rights" with the following words:

"young people's access to rights".

Explanatory note

Such wording - "young people's access to rights" - is used by the rapporteur in paragraph 4. In our view, it seems more logical to use the same wording throughout the text of the draft recommendation.
