Corruption as a threat to the rule of law

Amendment¹ No. 9

tabled by the Committee on Rules of Procedure, Immunities and Institutional Affairs

In the draft resolution, after paragraph 11, insert the following paragraph:

"The Assembly resolves to strengthen the interparliamentary dimension of the fight against corruption, by promoting a co-operation platform with the aim of:

- promoting the ratification and implementation of Council of Europe conventions and recommendations on the fight against corruption, in particular GRECO recommendations, among national parliaments;
- taking stock of national anti-corruption initiatives, sharing good practices and brainstorming together on new working methods and approaches to tackling corruption effectively;
- collecting information about the ongoing activities of the Council of Europe anti-corruption bodies, the initiatives of other key international players in the anti-corruption field, and statistical and correlation data from NGOs and civil society related to a given country or corruption trends in specific areas."
