

Doc. 13297
30 September 2013

Children's right to physical integrity

Amendment¹ No. 3

In the draft resolution, delete paragraph 7.6.

Explanatory note

Religious values and practices should not be put into debate at political platforms. Otherwise, there are many other practices of all religions which can be taken into agenda. Therefore it's not a matter of interdisciplinary dialogue between representatives of various professionals but it is simply a matter of religious practices.
