The honouring of obligations and commitments by the Republic of Moldova

Amendment¹ No. 20

In the draft resolution, replace paragraph 33 with the following paragraph:

"The Assembly considers that over the last three years the Republic of Moldova has clearly demonstrated its will and ability to fulfil its statutory obligations as a Member State of the Council of Europe. Given the progress achieved since 2009, the Assembly is confident that the Moldovan authorities will apply and strengthen the reforms in question. The Assembly resolves to close its monitoring procedure and to initiate the post-monitoring procedure for the Republic of Moldova."
