European Union and Council of Europe human rights agendas: synergies not duplication!

Amendment¹ No. 1

In the draft resolution, after paragraph 9, insert the following paragraph:

"The Assembly is concerned that the European Union is dragging its feet in submitting to the authority of the European Convention on Human Rights as required by the 2009 Treaty of Lisbon and calls upon the European Union to accede to the Convention without qualification and without further delay, thereby putting beyond doubt the European Union's acceptance of the European Convention on Human Rights and Fundamental Freedoms in Europe and of the supremacy of the European Court of Human Rights."
