

Doc. 13372
28 January 2014

Syrian refugees: how to organise and support international assistance?

Amendment¹ No. 4

In the draft resolution, at the end of paragraph 12.12, add the following words:

"by actively involving Syrian female refugees in management and decision-making inside the camps, preventing child and forced marriages, and providing safe and accessible sanitary facilities and psychological support for traumatized women and children."
