

Doc. 13434
08 April 2014

The right to Internet access

Amendment¹ No. 4

In the draft resolution, paragraph 5, after the first sentence, add the following sentence:

"Taking into consideration that the exercise of the freedom of expression carries with it special duties and responsibilities according to Article 19 of the International Covenant on Civil and Political Rights, it may therefore be subject to certain restrictions, but these restrictions shall only be provided by law and necessary for the respect of the rights or reputation of other people as well as for the protection of national security or public order, public health or morality".
