## Violence in and through the media

### Amendment<sup>1</sup> No. 3

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, at the end of paragraph 5, add the following sentences:

"Child pornography and child abuse images as serious violations of children's rights have been covered by the Assembly in its work leading to Resolution 1834 (2011) and Recommendation 1980 (2011) on "Combating 'child abuse images' through committed, transversal and internationally co-ordinated action". Violence may also be insidiously conveyed through the media, for example in the depiction of the hyper-sexualisation of children."
