COUNCIL OF EUROPE
CONSEIL DE L'EUROPE

Doc. 25
26 August 1949

Methods by which the Council of Europe can develop cultural cooperation between its members

Motion for a resolution
tabled by Mr Sunt Kemal YETKİN and other members of the Assembly

The Consultative Assembly of the Council of Europe requests the Committee of Ministers:

a. to establish a Committee composed of appropriate experts from the nations represented here (one for each country), with a view to drafting the outline of a History of Comparative Civilisations.

b. to establish a Committee of men of letters from the nations represented here (one from each country), with a view to preparing a list of works which best illustrate the unchanging values of civilisation.
