COUNCIL OF EUROPE
CONSEIL DE L'EUROPE

Doc. 160
24 November 1950

Need for adopting a common definition for European television

Conclusions[1]
Parliamentary Assembly

1. Recommendation to the Committee of Ministers adopted 24th November 1950, at the conclusion of the Debate on the Report from the Committee on Cultural and Scientific Questions.

The Consultative Assembly

Invites the Committee of Ministers to transmit forthwith to the competent authorities in each Member State its views on the need of adopting a television definition common to all Member States ;

Invites the Committee of Ministers to consult the appropriate experts with a view to agreeing on a generally acceptable definition.

1. See Doc. 146, Report.
