

Doc. 13651
26 January 2015

The humanitarian situation of Ukrainian refugees and displaced persons

Amendment¹ No. 21

In the draft resolution, replace paragraph 1 with the following paragraph:

"The Parliamentary Assembly is deeply concerned about the ongoing instability in some parts of the Donetsk and Luhansk regions of Ukraine and the continued violation of the ceasefire signed in Minsk on 5 September 2014. Particularly disturbing is the fact of the direct involvement of the Russian Federation in the emergence and worsening of situations in these parts of Ukraine. The situation of all the people affected by the conflict, including internally displaced persons (IDPs) and refugees, as well as those living in the areas controlled by pro-Russian illegal armed groups, is particularly worrying."
