## Discrimination against transgender people in Europe

### Amendment<sup>1</sup> No. 9

In the draft resolution, at the end of paragraph 6.2.3, insert the following words:

"in all decisions concerning children, their best interests should prevail over any other rights and interests;"

#### *Explanatory note*

The ECHR considers that the child's best interests must be the primary consideration in assessing whether a fair balance has been struck between competing interests at stake (see for example *Neulinger and Shuruk v. Switzerland* case §§ 136 and 137).
