

Doc. 12671 Second Edition

14 October 2011

Urgent need to address integrity challenges to sport

Written declaration No. 487

This written declaration does not reflect the position of the Assembly; only of those members that have signed it. It will not be considered further by the Assembly.

We believe that match-fixing is a serious and growing problem in European sport.

There are, currently, no effective measures to fight against corruption in sport.

We, the undersigned, European politicians, ask for the creation of an international agency to properly preserve the integrity of our sport.
