The functioning of democratic institutions in Azerbaijan

Amendment¹ No. 4

In the draft resolution, at the end of paragraph 4, add the following words:

"The Assembly recognises the important contribution that it has made in promoting democracy in Azerbaijan through election observation missions. The Assembly believes that it is as important as ever to continue carrying out the monitoring function. In the event of inability of other observation teams to participate, the Assembly should consider increasing the Council of Europe's contribution for the forthcoming parliamentary elections to ensure the effective scrutiny of the election process."
