

Doc. 13880

24 September 2015

Prevention of abortions

Reply to Written question¹: Written question No. 684 (Doc. 13769)
Committee of Ministers

1. In view of the differences in situation and approach among member States regarding the issue raised by the Honourable Parliamentarian, the Committee of Ministers considers that it is at the national level that a response must be given.

1. Adopted at the 1235th meeting of the Ministers' Deputies (15-16 September 2015).
