Implementation of judgments of the European Court of Human Rights

Amendment¹ No. 1

In the draft resolution, after paragraph 7, insert the following paragraph:

"The Assembly is also deeply concerned about the decision of the Constitutional Court of the Russian Federation issued in the case of the implementation of the decisions by the European Court of Human Rights in the territory of the Russian Federation. The Assembly considers it a deliberate onslaught against the system of protection of human rights both in the Russian Federation and the entire continent, and calls on the Russian authorities to guarantee in practice the full implementation of all judgments of the European Court of Human Rights in respect of the Russian Federation."
