

Doc. 13867
28 September 2015

Countries of transit: meeting new migration and asylum challenges

Amendment¹ No. 14

In the draft resolution, paragraph 4, delete the third sentence.

Explanatory note

In order to avoid the uncontrolled influx of migrants and to identify persons entitled to refugee status, the Schengen borders must be protected. Until the root causes of migration are dealt with, the externalisation of borders cannot be avoided. This is not a question of shifting responsibility.
