

Doc. 13866
28 September 2015

After Dublin – the urgent need for a real European asylum system

Amendment¹ No. 15

In the draft resolution, delete paragraph 10.3.

Explanatory note

This new recommendation generates confusion: it is a step to a more federal Europe? This means free movement of recognized refugees? So for example, refugees being recognized in Greece can freely go living in Germany or Sweden?
