## Abuse of pretrial detention in States Parties to the European Convention on Human Rights

### Amendment<sup>1</sup> No. 3

In the draft resolution, paragraph 10, delete the word ", Turkey".

#### *Explanatory note*

This paragraph acknowledges Turkey's success in reducing the number of pretrial detainees and improving the treatment of detainees. Figures relating to pretrial detention are inaccurate and must be updated. Mentioning Turkey in this context requires strong and concrete evidence beyond questionable newspaper articles and statements of the parties to a few trials.
