

Doc. 13851
29 September 2015

Freedom of religion and living together in a democratic society

Amendment¹ No. 21

In the draft resolution, paragraph 3, delete the last sentence.

Explanatory note

This statement sounds too categorical taking into consideration that the concept of human rights is constantly expanding and can come at odds with established religious beliefs. As recent cases have shown, an undue interpretation of Human Rights can infringe freedom of religion and freedom of expression.
