The Mediterranean Sea: a front door to irregular migration

Amendment¹ No. 4

In the draft resolution, before paragraph 12.1, insert the following paragraphs:

"with regard to ensuring burden and responsibility sharing:

- significantly increase the international aid to Turkey which shoulders the lion share of the influx of Syrian refugees".

Explanatory note

According to the UNHCR, Turkey is the biggest refugee-hosting country in the world. The total number of Syrians living in Turkey has now reached over 2.5 million. I believe it is worth reiterating the Assembly's previous calls to increase international aid to Turkey in this important report.
