

Doc. 13942
25 January 2016

The Mediterranean Sea: a front door to irregular migration

Amendment¹ No. 6

In the draft resolution, delete paragraph 12.3.2.

Explanatory note

The Syrians were forced to leave their country and seek refuge in neighbouring countries. More than half of them are in Turkey. In spite of Turkey's calls for resettlement there has been an inadequate response from the international community. Setting up hotspots outside Europe would not make resettlement more efficient.
