

Doc. 14010
18 April 2016

Preventing the radicalisation of children by fighting the root causes

Amendment¹ No. 3

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, paragraph 3, after the second sentence insert the following sentence:

"One of the main challenges is to prevent their social exclusion from the very start to ensure that they enjoy full and equal access to decent living standards and social rights, including education and training."

1. 2016 - Second part-session
