

Doc. 14010
18 April 2016

Preventing the radicalisation of children by fighting the root causes

Amendment¹ No. 8

In the draft resolution, after paragraph 4.5.1, insert the following paragraph:

"take legal measures to combat Islamophobic hate crimes, which can be fueled by Islamophobic hate speech on social media;"

Explanatory note

While education of children is highly important in order to prevent our children from extremist content in using of social media, we should also need essential legal measures to combat with hate speech on social media.
