

Doc. 14014
19 April 2016

A stronger European response to the Syrian refugee crisis

Amendment¹ No. 7

tabled by the Committee on Migration, Refugees and Displaced Persons

In the draft resolution, replace paragraph 7.6 with the following paragraph:

"family reunification procedures for refugees should be improved and accelerated; the issuing of visas for family members with either children or parents in European countries should be quick and procedurally streamlined, applying a broad definition of the family."
